- 25X1C4a 1. Met with [REDACTED] to discuss appropriate action, if any, to be taken at this time on the proposed PRC project for providing additional [REDACTED] Program. With the agreement of [REDACTED] I have held the 25X1A9a project in the amount of [REDACTED] which would provide during fiscal year 1954 for payment of $\frac{1}{2}$ of the salaries of personnel in [REDACTED] to offset 25X1A6a pending cut in the Foreign Service budget. As no specific action is necessary prior to 1 July, it was agreed preferable that the project be held pending results of the overall discussion of the budget situation to be held by General Cabell with [REDACTED] 25X1A9a 25X1A9a
2. I had further discussion with [REDACTED] OSI, relative to the appropriate handling of a special OSI project. [REDACTED] is preparing a 25X1A9a brief memo for DD/I's signature authorizing the use of \$1,200 in unvouchered funds to finance special travel under a cover arrangement. 25X1A9a
- 25X1A9a 3. Discussed with [REDACTED] various administrative items concerning our overseas activities. [REDACTED] felt that the present manner of handling 25X1A6a our administrative support requirements with DD/P, both here and in [REDACTED] were quite satisfactory.
4. Met with representatives of OCD and OSI and ORR to discuss presentation of the project for support of the Library of Congress at the PRC meeting on Wednesday, 10 June.
